

Licking County *PERSPECTIVES*

An Economic Development Conference For Community Leaders

MARK YOUR CALENDAR FOR THE MORNING OF **MAY 14TH!**

The Heath-Newark-Licking County Port Authority, the Licking County Planning Commission, and the Newark & Licking County Chamber of Commerce are hosting a half-day conference for community leaders. The event promises to be a unique opportunity to gain insights into the key elements of economic development in Licking County from a national, state, and local perspective. **Look for an info packet in the mail soon.**

NATIONAL PERSPECTIVE

Bob Ady, President of Ady International, is scheduled to present *Site Selection: Mission Impossible*.

Ady is a nationally-known site selection consultant. He gives a unique national perspective on Licking County with a look at the elements of site selection and approaches to dealing with facility locators.

STATE PERSPECTIVE

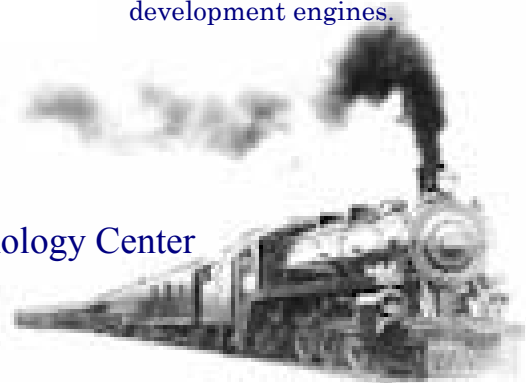

Tonya Barnett, Governor Taft's regional economic development representative, leads a panel of state development officials outlining the tools they use to aid in Licking County's progress.

LOCAL PERSPECTIVE

Gain a unique perspective on Licking County aboard a passenger train. The trip along the Columbus & Ohio River Railroad line includes a look at many of Central Licking County's development engines.

WHERE: Central Ohio Aerospace & Technology Center

WHEN: May 14, 2003, 8 a.m. to 1 p.m.
