40 Leaders
3 Reps
18 Offices
900+ hours

DC Day Day After

The 40-person contingent combined to log over 900 manhours into support of a community effort to spotlight the capabilities, development impact, and success of the Aerospace Center. This wasn't lobbying. This was grassroots support for jobs in our community. <http://hnlcpa.com/DC> has a wrap-up.

Be sure to show your thanks to the list of companies and organizations participating in the grueling day:
