2006 Project Preview

A slate of over \$3.8 million in projects is in the Port Authority's 2006 budget. Expected capital improvements such as painting of Building 4, water tower repair, and weatherization of Building 2 are coupled with amenity improvements planned such as a café remodel and new walking path. Another round of South Campus improvements are on the horizon too.

4th Annual Holiday Open House

The Port Authority offices will, again this year, play host to an open house intended to connect local community leaders with The Base on Wednesday, December 21 from 11 to 1. Management of on-Base tenants are invited to join in this event which is a key part of the caucus-building strategy of the Port Authority.

Weekly Column Getting Personal

Some have noticed it. The Port Authority's Weekly Column has gotten more personal. Look for current events mingled with stories, history, and other more lively facts and figures. Don't call it a blog though.

Photo Update @PortAuthorityUSA.com

Photographer Greg Mann spent parts of October and November gathering photos around the COATC. His shots contributed to an updated look for the Port Authority's website.
