DC Fly-In Raises The Base's Profile

The Port Authority led a seven-person delegation of public and private officials to Washington, DC to meet with our congressional delegation, thank them for their support, make them aware of the successes and challenges here, and update them on the status of our major defense-related workloads. *Base TV* was there too.

Caucus-Building with Rep. Dodd

The state capitol is also important to the future of The Base. State Representative Dan Dodd visited The Base today for a get-acquainted tour with Boeing and Bionetics officials.

"Listening" is Theme to Plan Update

The Port Authority is listening and listening is the theme to this year's major update to the Port Authority's 10-year capital improvements plan. The plan will be posted online for customer review and comment during the first part of April. An open house is tentatively scheduled for April 12.

Base TV

In case you missed it, here's the *Base TV* headlines for recent video clips: Samuel Manu-Tech Tour, Flood Watch, Siren Testing, and DC Fly-In. One month after its unveiling, *Base TV* has proven to be a popular resource for personnel interested in staying on top of the happenings at The Base.
