2008 Capital Projects Total \$6 Million

The Port Authority budget for 2008 includes funding for up to \$6 million in capital improvement projects. The projects include bridge, roadway, entrance, and parking improvements that will impact the east side of The Base as well as modest improvements visible on the west side as well.

Phase III Roadway Advances

Clearing of brush along Irving Wick Drive signals the start of the Phase III roadway project. Over three acres of land was acquired east of the Base eastern-most entrance that will become part of a greenway along Irving Wick Drive. A contract was also let with Jobes Henderson of Newark to begin final design for the project.

AFRPA Commits to Cleanup Project

Work that has been on again, off again for 17 years is now on again. In a letter dated December 11, the Air Force Real Property Agency committed to cleanup of the 0.75 acre parcel it owns on the southeast corner of the original Newark AFB property. This is work that began last Summer with the removal of three out buildings and demise of the softball field but stalled in the Fall.
