Base Walking Path Opens May 15

Consider this your invitation to take part in the "Inaugural Walk" on the new Base walking path. Rain or shine the path will open tomorrow, Thursday, May 15 at 11:30 a.m. at the base of the water tower on the west side of The Base. Join in a short "photo op" and have a chance to walk the new, long-hoped-for path. Also, get a free pedometer.

Bridge, Roadway Projects Advance

In action at the recent meeting of the Port Authority Board, the acceptance of staff and planning committee recommendations resulted in the new bridge at Irving Wick and the extension of James Parkway advanced closer to actual construction. Special features of the bridge were decided, including signature iron work, lighting, and concrete formed design elements. Also, a purchase of ground for the roadway extension was further advanced as well. A rendering of a segment of the new bridge is available on line.

Solar Cam Hits Year on Sun Milestone

The Port Authority proudly marked a year of its in-house developed solar-powered, wireless-internet equipped camera system running solely on the power of the sun. The system is viewable online during daylight hours and records images for possible future uses.
