Not Bubble-Wrapped, but Base Safer

With over \$600,000 in safety-related capital improvements in the past five years and a proactive approach to safety information flow, the Port Authority can't claim that the Base is safely wrapped in bubble wrap, but it is safer. Our customers' personnel and visitors are the target of a safety-focused Port Authority.

New Tool: SAFETY NETwork

On-site safety professionals now have a new tool at their disposal to help improve safety at The Base. The new e-mail system for sharing real-time safety concerns, dubbed SAFETY NETwork, is now up and running.

Do Business with the Port Authority

A new webpage has been unveiled to make it easier for our vendors to do business with the Port Authority. With over \$6 million in capital projects pending and a \$21 million capital plan in place, we're looking for a few good partners.
