Join Beta Test of Mass Alert System

The Port Authority, sensitive to the need to improve mass communications systems on the COATC campus, is beta testing a mass alert system. The system uses Twitter as its backbone. Please consider being among the first to join up and help the Port Authority test the system.

Bridge Opening Expected This Month

With some additional asphalt paving underway this week, the roadway and bridge project is nearing completion. Indeed, we are reporting a 96% completion level. The opening of the bridge is fully expected before the end of September.

Factsheet: Labor Day Spotlight

Labor Day was a fitting day to spotlight the volume of local talent that has been deployed on the road/bridge project. Over 100 people and 24 companies with local ties were among those working on this project.
