D.C. Fly-In: Message Delivered

The six-person D.C. Fly-In contingent saw five members of Congress while visiting congressional buildings, the Capitol building (three times), and, even, the West Wing of the White House. The Aerospace Center message got delivered.

Feb. 21st is Our Day At The Works

The first-ever Aerospace Center Industry Day at The Works is set for Feb. 21 from Noon until 5 p.m. Industry reps with Boeing, Bionetics, Kaiser, and the Port Authority will show the next generation the value and local relevance of science, technology, engineering, and math skills in use every day at the Aerospace Center. The event is free to Aerospace Center industry employees and their families as well as members of The Works.

Demolition Project Continues

We are now counting the last few weeks of the demolition project at The Base. The project has found the former Café basement to be quite a removal task. In addition, amazingly, a parking lot was found under the former COM. The final product will be a ready-to-build site for an office and clean room building.
