## **New Building Coming Into Focus**

Plans for the proposed new 43,000 sq. ft. office and clean room building are coming into focus. The project managers are hoping to deliver a building plan ready to be bid out still this quarter. The project promises to be another local economic stimulus with both a short-term impact on construction and materials jobs and a long-term impact on stabilizing and growing employment at the Aerospace Center.

## **Won't You Be Our Fan?**

Only one other port authority in the country has more Facebook fans than the Heath-Newark-Licking County Port Authority. The Facebook page is, often, the first place where news on the Aerospace Center and the Port Authority projects hits the streets. If you are on Facebook, won't you be our fan?
