Port Authority Caucus Continues

Three Governors, two U.S. Senators, members of Congress, and members of the Ohio General Assembly are among the VIP visitors hosted at the Aerospace Center over the years. The Port Authority "caucus" is informed and engaged.

Capital Project Work Continues

In addition to South Campus projects to extend storm sewer lines and clear ditches, there are capital projects underway on the Base Campus of the Aerospace Center.

Building Construction Continues

Steel beams are up. The roof decking is going on. Soon, the concrete slab will be poured and framing will be going up. The Horton Building is making daily, visible progress. Track it all at Facebook. Even if you don't have a Facebook account, you can view the updates.
