15-Year, 50-Year Celebration Set

U.S. Senator Sherrod Brown will provide the keynote address at the October 8 ceremony commemorating 15 years since privatization in place and kicking off the 50 year anniversary of aerospace guidance systems and metrology work coming to Heath and Licking County. Join Boeing, Bionetics, AFMETCAL, Goodrich, NARFE, and the Port Authority in the celebration. Bring the family!

Customer Survey Underway

Now through September 30, the Port Authority is conducting an online customer satisfaction survey. The survey asks about security, amenities, facilities, and property maintenance aimed at learning the thoughts of its customers' personnel.

Lobby Message Centers Expanding

The online version of the Message Center is growing and expanding. The fourth lobby message center, the lobby version of the Port Authority's online Message Center, will go up in the contractor entrance of the Metrology Building. These Centers are an innovation of the Port Authority that marries a 60' television up with a compact, fanless computer and the Port Authority wireless network to provide constantly-updating information.
