## Navy Sets Anchor in Heath, Again

The ribbon got cut on the new Boeing workload areas for the Navy ESG program. Rear Admiral Terry Benedict and Boeing Space Systems President Roger Krone headlined the event that saw Navy work with a potential life span through 2080 set anchor in Heath. Photos from the ribbon cutting were shared and posted along with news articles on the Port Authority Facebook page.

## Water Tower Demolition Nears

The 160' tall COATC water tower, an icon of sorts in Heath for at least 50 years, is nearing its demise. The Port Authority is engaged in a quotation solicitation process seeking contractors to raze the tower and surrounding buildings beginning in June.
