## Homestead Beer Takes The Keys

The keys to Building 106, the Air Force's former technical orders building, were turned over to Adam and Kevin last month as they took the next step toward starting up Homestead Beer Company. The small brewery will start out serving the keg-drawn market regionally. The small business has been the most-talked-about among the small companies that have come to the campus over the years. Could it be the beer?

## UTC Aerospace Systems Welcomed

Homestead Beer isn't the only new name going up on the Aerospace Center campus' sign slats. Goodrich was acquired by UTC and the transaction closed in late July. The transition to the new name, UTC Aerospace Systems, is underway.
