## MISTRAS Group Moves In New Space

MISTRAS Group moved into its new space on the Aerospace Center's South Campus recently. Radiography, ultrasound, and other non-destructive testing capabilities are underway in the state-of-the-art new laboratory space at the corner of Kaiser Drive and James Parkway in Heath.

The project was two years in the making with MISTRAS recognizing the need for new space to meet the growing manufacturing needs in the Central Ohio region.

## Aerospace Center STEM Industry Day

The companies at the Aerospace Center take over The Works in downtown Newark on Saturday, March 12 to show off the value of STEM skills in a hands-on way. AFMETCAL, Boeing, Bionetics, Chromocare, MISTRAS Group, and Samuel Strapping are scheduled to show off what they do geared toward kids and parents. The day is a FREE day at The Works with displays from Noon to 3 PM.
